## **NATIONAL CONFERENCE**

on

# **NATIONAL EDUCATION POLICY: IMPLEMENTATION, CHALLENGES, OPPORTUNITIES AND PROBABLE OUTCOMES**

**DATE: May 14, 2022 & TIME : 9:30 am - 5:30 pm**  
**Venue: Swami Vivekanand Auditorium**

### **ABOUT THE CONFERENCE**

This conference aims to deliberate upon a broader understanding of the proposed set of educational reforms under New Education Policy (NEP) 2020. It is a forum to provide an opportunity to discuss about the possibilities and limitations which may occur during the successful implementation of NEP nationwide. The main objective of the conference is to disseminate awareness on various perspectives of NEP 2020 in order to visualize a unique education system in accordance with the global standards of education. The purpose is to identify and bridge the gaps in curriculum to attain alignment with the future learning outcomes, to discuss the merits for holistic education and thereby, create a viable ecosystem for multidisciplinary education, research and funding for various research programs.

**Sh. R. N. VATS**  
Chairman, Governing Body

**CHIEF PATRON**

**Prof. Ruby Mishra**  
Department of Chemistry

**CONVENOR**

**Dr. Aditya Saxena**  
**COORDINATOR,**  
**IQAC**

**Knowledge Partner**  
**CSIR-NISCPR**

**Prof. RAJIV AGGARWAL**  
Principal

**PATRON**

**Prof. Varsha Baweja**  
Department of Zoology

**CONVENOR**

**Dr. Kanika Malik**  
**SENIOR PRINCIPAL**  
**SCIENTIST, CSIR-NISCPR**

**Funding Partner**  
**ICSSR**

### **SUB THEMES**

1. Building Indian Knowledge System.
2. Importance of Regional Language, Arts and Culture.
3. Linkage Between Primary, Secondary and Higher Education.
4. Challenges in Implementing Multidisciplinary Higher Education.
5. Strengthening links Between Academia, Research and Industry.
6. National Research Foundation and it's Roadmap.
7. Information and Communication Technology in Higher Education.
8. Online and Digital Education (ODL), E-learning tools.
9. Access and Inclusivity in Higher Education.
10. Teachers Training and Pedagogy, Research Ethics.
11. Professional Education & Employment.
12. Implementing NEP in a Federal System.
13. Significance of IPR in New Education Policy

### **CALL FOR PAPERS**

**MS word file of the abstract of maximum 300 words, according to the given format.**  
**Submission deadline for synopsis/abstract: May 1, 2022.**  
**Submission deadline for full chapter/paper: May 7, 2022.**

### **REGISTRATION DETAILS**

**Registration fee :** Faculty: Rs. 500  
Research Scholars: Rs. 300

### About Deshbandhu College:

Ranked sixtieth in NIRF 2021, Deshbandhu College, University of Delhi, is the oldest college in Southern part of the Delhi with more than 6000 students taking admission each year. The college publishes nearly 200 research publications in SCI/SCOPUS/UGC-CARE indexed international and national referred journals per year and has received many research grants.

The college has established 14 Centre for promoting interdisciplinary research under the “DBT-Star College” Scheme, Department of Biotechnology. The college has a total of eighteen departments with all the three basic streams, science, commerce and arts. The college boasts for having four world class Research laboratories with more than twenty Ph.D. scholars and two Post-Doctoral Research fellows engaged in full-time research activities.

It's library ranked one by DRDO having the largest collection of books and journals both in print and digital medium. Recently the college has developed green landscaping in about four acres supporting the local biodiversity of more than 35 species. Also the college has been developed to become environment friendly with installation of solar panels for maximizing the use of natural power resources. towards the better environment.

### "Skill Enhancement Workshop"

*A hands on workshop on laboratory safety and management for Physics lab staff*

Date: 4<sup>th</sup> – 7<sup>th</sup> January 2022

Time: 9:30 am to 5:00 pm

Venue: PLT

Registration link: <https://forms.gle/92nNNK71ZLE6dbr38>

Last date for registration 31<sup>st</sup> December 2021

Free registration for Deshbandhu College Laboratory Staff

Registration fee for other college members : ₹ 500 /-

#### Bank Details:

Bank Name: Punjab & Sind Bank, A/c Name: Principal, Deshbandhu College, A/c No.: 09031000001043 , IFSC: PSIB0000903

Hands on training and interactive sessions on instruments of:

- Mechanics
- Electronics
- Electricity & Magnetism
- Wave & Optics
- Solid State Physics
- Elements of Modern Physics
- Thermal Physics
- Digital Electronics
- Nanomaterials

Certificate will be provided to all the participants subject to attendance. Tea and lunch will be served during the workshop.

Call for posters

UG, PG students and Research Scholars are invited to  
submit the posters and abstract at the mail id:

[internationalsymposium2022@gmail.com](mailto:internationalsymposium2022@gmail.com)

Evaluation of posters will be held online on  
30<sup>th</sup> January 2022.

### Poster Topics:

- Health and Medicine
- Green Chemistry, Catalysis, Sensing
- Nanoscience/ Nanomaterials
- Versatile polymer world, Natural products
- Diversity of Heterocyclic molecules, Supramolecular Chemistry
- Environmental remediation and sustainable development
- Role of women scientists in the scientific world
- Any other relevant topic matching with the theme of symposium

For Free Registration:

UNIVERSITY OF DELHI

*Invites you to*

## INAUGURAL CEREMONY 2021-22

Use of the Fruit fly (*Drosophila*) and Zebra fish (*Danio rerio*) as model organisms for dissecting the aetiology of Human diseases

### CHIEF GUEST

**Prof. Upendra Nongthomba**

DBGL, Dept. of Molecular  
Reproduction Development and  
Genetics,  
IISc, Bangalore, India

*Date: 18th February, 2022*

*Time: 03:00 pm*

*Click here to join*

**zoom**

*Meeting ID: 846 8799 6384*

*Passcode: 979327*

**Prof. Rajiv Aggarwal**  
Principal

*E-certificates will be provided to the participants*

**Prof. Kamal K. Gupta**  
Vice-principal

**Dr. Aditya Saxena**  
IQAC Co-ordinator

**Dr. Manisha Sengar**  
Teacher-In-Charge

**Dr. Irengbam Rocky Mangangcha**  
Staff Advisor

**Dr. Moses Rinchui Ngasainao**  
Co-Advisor

# Life Sciences Society Synergia

**Deshbandhu College, University of Delhi**

Under the aegis of IQAC

cordially invites you all to celebrate **INAUGURAL FUNCTION** on Wednesday, 16th February 2022

## About Deshbandhu College:

Ranked 60th in NIRF 2021, Deshbandhu College, University of Delhi, is the oldest college in Southern part of the Delhi with more than 5000 students taking admission each year. The college has established 14 Centre for promoting interdisciplinary research under the "DBT-Star College" Scheme, Department of Biotechnology. The college boasts for having 4 world class Research laboratories with more than 20 Ph.D. scholars and 2 Post-Doctoral Research fellows engaged in full-time research activities. It's library ranked 1 by DRDO having the largest collection of books and journals both in print and digital medium. Recently the college has developed green landscaping in about 4 acres supporting the local biodiversity of more than 35 species. Also the college has been developed to become environment friendly with installation of solar panels maximizing the use natural power resources towards the better environment.

## About Speaker:

Prof. Rup Lal is an Indian molecular biologist known for his work in molecular biology, genomics, metagenomics and taxonomy of microbial diversity inhabiting extreme niches. His research has led to the development of novel analogue of rifamycin, identification and functional characterization of microbial communities at Manikaran hot springs and deciphering the role of microbes in degradation of Hexachlorocyclohexane (HCH) at a polluted dump site located at Ummari village, Lucknow, India. He has over 35 years of strong and longstanding experience in administration, teaching and research in various capacities at University of Delhi, India. Presently, he is NASI Senior Scientist Platinum Jubilee fellow at The Energy and Resources Institute (TERI), Delhi.

## About Synergia :

Life Science Fraternity Under the Flagship of Department of Botany, Chemistry and Zoology constituted Life Sciences Society, \*SYNERGIA\* founded by Dr. Manisha Sengar Associate Professor, Department of Zoology, Deshbandhu College, University of Delhi. It was Inaugurated by Our Honourable Principal Dr. Rajiv Aggarwal and Chief Guest Dr. Ajay Kumar Singh, Director General Life Sciences, DGLS, DRDO Headquarters on March 9th, 2021. It's goal is to create and maintain a vital platform to enable budding life scientists to have a broader view of applying the three disciplines i.e. Botany, Chemistry and Zoology together in fields of Research Development, Education, industry & Entrepreneurship. It also aims for it's Students to understand social, ethical and legal dimensions of the most dynamic branches of life sciences. It holds various webinars to discuss ways to foster responsible innovation, sustainable development and user driven social policies to Prepare future leaders. Society is run by it's very dynamic Office Bearers and Council members under the guidance of Convenors and Co Convenors from Department of Botany, Chemistry and Zoology.

**Link for Zoom Session:** <https://us02web.zoom.us/j/83046542282?pwd=R09QOTYwM0Z0SUthT21pSFdRa25nUT09>

Dr Yadav is an outstanding plant taxonomist of international repute. An excellent teacher whose floristic and taxonomic works particularly Flora of Kolhapur and Grasses of Maharashtra have tremendously influenced many students to take up plant taxonomy as their career. During the last 3 decades he not only recorded a new flowering plant family Hydatellaceae but also discovered 74 species new to science. His contributions on cytotaxonomy and biosystematic studies of *Chlorophytum*, *Barleria*, *Ceropegia*, *Drimia*, *Ledbouria*, *Crinum*, *Aponogeto* have been widely acclaimed. He is an ardent field botanist and outstanding plant photographer. His works on ex situ conservation, species recovery and rehabilitation of nearly extinct species *Hubbardia heptaneuron* and *Ceropegia fantastica* and establishment of a lead Botanical Garden are exemplary.

## National Centre for Mathematics

[www.ncmath.org](http://www.ncmath.org)

(A joint centre of TIFR and IIT Bombay)

### Advanced Training in Mathematics Schools

[www.atmschools.org](http://www.atmschools.org)

(Supported by National Board for Higher Mathematics)

### Online Teacher's Enrichment Workshop (TEW) on "Differential Equations and its Applications"

by **Deshbandhu College, University of Delhi, Kalkaji, New Delhi.**

(March 15 - 28, 2021)

(INSA - NCM joint programme)

The Teacher's Enrichment Workshop is a programme funded by the National Centre for Mathematics (A joint centre of TIFR & IIT Bombay). The TEW is meant for college teachers to revisit and update their content-knowledge. The lectures in this workshop cover specific topics which are relevant for the teachers' classroom instructions. An important component of this programme is the discussion hour during which the teachers will have opportunities to get their doubts cleared and work-out routine to advanced exercises.

#### ORGANIZERS:

**Prof. Abhay Bhatt**  
Indian Statistical Institute, Delhi  
Email: [abhaygbhatt@gmail.com](mailto:abhaygbhatt@gmail.com)

**Ms. Harindri Chaudhary**  
Associate Professor, Dept. of Mathematics  
Deshbandhu College, University of Delhi  
Kalkaji, New Delhi - 110019  
Email: [harindri20dbc@gmail.com](mailto:harindri20dbc@gmail.com)

#### Speaker: V.D. Sharma, Professor, IIT Gandhinagar

Method of characteristics and general solution of first order PDEs, Riemann problem, Conservation laws and Burger's Equations, Cauchy problem for second order PDEs, First order Ordinary Differential Equations, growth and decay model, Euler's Equation, Power series solution of a Differential Equation about an ordinary point, Solution about a regular singular point.

#### Speaker: Rashmi Bhardwaj Professor, GGSIP Univ., Dwarka, New Delhi

Non-linear Autonomous systems, Fixed Point, Saddle Point, Hopf Bifurcation, Equilibrium Points and their local stabilities, Cycles, Lyapunov Function, Chaos, Lyapunov Exponent.

#### Speaker: Navnit Jha, Associate Professor, SAU, New Delhi

Introduction to Radial Basis Functions (RBFs): Thin plate spline, Piecewise smooth RBFs, Generalized Duchon spline, Infinitely smooth RBFs, Gaussian (GA), Multiquadric, Inverse multiquadric, Inverse quadratic, Multi-dimensional scattered mesh generation, Derivative approximations using various RBFs, Computational discretization for the first and second derivatives in one dimension, and two-dimensions. Error analysis and derivation of optimal shape parameters. Convergence theory associated with local RBF method. A convergent radial basis scattered mesh high-resolution compact FDM for boundary layer problems.

#### Speaker: Malay Banerjee, Professor, IIT Kanpur

General solution of system of nonlinear equations, Putzer algorithm to calculate  $\exp(At)$ , stable-unstable center subspaces, stable manifold theorem, Hartman Grobman theorem. Local and global bifurcations, normal forms, mathematical criteria for saddle-node, transcritical, pitchfork, Hopf and Bogdanov-Takens bifurcations. Ordinary differential equation models of single species population growth, two and multi-species interactions. Application of bifurcation theory to study various dynamics produced by the nonlinear ordinary differential equation models.

#### Speaker: Kapil Sharma, Professor, SAU, New Delhi

Evolution of numerical methods for initial value problems: Development and analysis of continuous approximate methods for IVP; Development and analysis of discretization methods, which include single and multi step methods for IVP.

DEPARTMENT OF MATHEMATICS  
DESHBANDHU COLLEGE  
(UNIVERSITY OF DELHI)

invites you all to an open lecture on

## "Independence of Continuum Hypothesis"

on

**Wednesday, December 05, 2018 at 10:30 A.M.**

**Venue : Physics Lecture Theatre, Deshbandhu College**

by

**Speaker: Prof. H.G. Dales**

**Department of Mathematics, Lancaster University, United Kingdom**

### Abstract

We shall explain what it means to say that Continuum Hypothesis is independent of ZFC, the axioms of set theory. It will be explained that a key fact about the continuity of homomorphism from Banach Algebras of the form  $C(K)$  has different answers depending on the size of the continuum, and so is independent of ZFC.
