

### **Talk by Mr Akshay Dwivedi**

Department of Zoology initiated a biodiversity club that aims to develop passion among the students for wild life, cherish the beauty of nature and explore the rich fauna and flora of college campus and surroundings. Mr Akshay Dwivedi , our old student, a wildlife lover and a keen bird watcher shared his experience of bird watching. After the talk he organized a nature walk in DBC campus and highlighted the techniques of bird watching. He spotted a variety of birds in their natural habitat and identify them on the basis of morphology, behavior and acoustics.
