About College

Deshbandhu college is a prestigious and one of the oldest co-educational institution of University of Delhi. The college was established in 1952 in the memory of late Lala Deshbandhu Gupta- a veteran freedom fighter. The college offers a holistic environment to the students and gives preference to their psychological/ academic needs. The college promotes organization of seminars, symposia, lectures, workshops and other co-curricular activities.

About Symposium

The objective of this two day symposium is to develop new insights for a sustainable development. The symposium mainly aims to bring together an interactive dialogue and discussion of the young students and faculty with the eminent speakers.

The events like Inter- College Poster presentation and Paper Reading Contest will further encourage the budding researchers and students to throw light on different environmental issues in present day scenario.

A hands on- training session for students has also been planned to enhance the knowledge and skills of the students in developing a sustainable future.
