Guidelines for Participants attending 6 Day FDP on Development and Delivery of MOOCs and e-Content 26th June, 2020 to 1st July, 2020

Welcome to 6 dayFDP!

Learning Outcome - Upon completion of this course the participants should be able to create their own e-content and host it on moodle.

Teaching/Instruction tools– Zoom meetings

Resources needed by the participants

- Laptop with internet connection
- For computer audio, you must have a working **microphone**, such as the built-in **microphone**, a USB **microphone** etc

Joining Zoom Meetings

- Zoom meeting link will be sent at least 30 minutes prior to the session every morning
- Participants are requested to ensure that their microphones muted at all times in order to stop background noise.
- In case the participant needs to say something, type in the chat box or click on the raise hand icon at the bottom of zoom screen.
- You can post questions/queries in the chat box. They will be answered during the session or at the end of the session.

- Sharing of FDP meeting link with any third person/party(other than CUH/DBC faculty) is strictly prohibited

Other requirements

- Participants are strongly advised to prepare at least one module in advance for converting into e-content. It may have text, audio, video etc.
- To monitor your progress in the session it is suggested that you try out the steps demonstrated to you in the training session alongside. Keep taking screenshots of the working steps and compile them as a .ppt or a word file. Give appropriate task names to the sets of screenshot, so that it is as to what these steps are aimed to accomplish. The file should be named as follows:
your institution name_yourname(Day of the course) , i.e. DBC_AmitaDesai(1) or CUH_PankajSingh(2). At the end of the day (by 10 pm) you are expected to submit this to [fdp iqac@db.du.ac.in](mailto:fdp_iqac@db.du.ac.in).
- At the end of the course you are expected to present your own e-content and upload on moodle and display
- Link for attendance sheet will be shared in the meeting chat box at the start of every session.
- For google classroom session please create a google account.
